Hiring Manager

Microsoft Company

Dear Sir/Madam,

I am writing to apply for the software engineering internship at *Microsoft Company* as a current software engineering student. My coursework has equipped me with programming skills in Java, Python, JavaScript, HTML/CSS, C++ and a strong foundation in software development by MARN Stack

I am excited about the opportunity to join your company known for innovation. Your commitment to cutting-edge technology aligns with my passion for software development. I'm eager to contribute to your projects and gain real-world experience.

My resume, attached, provides more details about my background and skills. I'd welcome the chance to discuss how I can contribute to *you Company*. You can reach me at [+251 96 711 8825](tel:+251967118825) or abditefera11@gmail.com to set up an interview at your convenience.

Sincerely,

Abdi Tefera
